

Tatra 815 TP 24 -265 6x6.1R

Your price with VAT 275 CZK

New and modified version of the popular Tatra 815 TP 24 265 6x6.1R tractor in the form of a cut-out. The original version of the model was released under the number RW14). In this new version, the chassis is modified and there are 2 color variants to choose from - a red or yellow version. As standard, the cab interior, swivel wheels, folding cab and functional towing equipment can be assembled. The model can be supplemented with Transporta P-32, P-50 or low-loader Cometto low loaders. It is also possible to create a new set with a low-load low loader, Transport SPDB 40. The model is offset printed on 160g / m² paper. The workbook has a total of 8 pages of size B4 and contains 12 instructional drawings. We also offer laser-fired designs for the model.
